Reference: Task Order No. 17/ 

Gentlemen:

Subject memorandum has been reviewed and approved in context with the requests outlined in your covering memorandum. In order that the study task results may fully reflect our views of your study efforts, please review the list of exceptions or recommendations for change noted by the various reviewing activities which is being forwarded to you under separate cover. If you concur in these suggestions, please include them as an addendum to the informal memorandum; otherwise, advise us of your views in order that a finalized position may be reached.
